## Improvisation Class

*Improvisation skills are the building blocks of drama. When done well, improvisation is about working collaboratively, facing fears, breaking down communication difficulties and accepting people who are not the same as you. It's also a LOT of fun! 😊*

- Small class sizes
- Through Improvisation, students can learn skills such as

***Turn taking***

***Focus and impulse control.***

***Working in a team***

***Saying “Yes” to someone else***

***Building on the ideas of others***

***Performance techniques***
