

### Information:

Flutterby Sewists Basic Sewing License is programmed and delivered by Functional Skills Focus, a registered NDIS service provider to support young people from ages 10 and up on the Autism Spectrum. It can also cater to individuals and families who have similar needs and interests. The program will be held weekly during the school term and will focus on nurturing a positive identity, building independence whilst learning basic sewing skills in a small group environment. It will also encourage:

**Socialisation, Attending Skills, Individual Goal Monitoring, Independent Skill Development, Fine Motor Skills, Decision Making & Organisation Skills**

### Program Focus:

The Basic Sewing License will teach the foundations of sewing with a combination of skills focused and project sessions. These will be taught by a qualified and experienced special educator who has studied sewing and pattern making techniques. All materials, use of machines and tools will be included in the session cost. Sessions may be claimable under the NDIS depending on the individual goals. Some funding from Aspire2 may also be available to subsidise fees. Please enquire to Susannah Morrison for further information.

### Testimonials from Basic Sewing License Graduates:

*"This course has been fantastic, my daughter has made new friends, learnt new skills and the impact on her self-confidence has been amazing. If you ask my daughter, this course has been the best thing she has ever done."*

*"Delilah has thoroughly enjoyed participating in the Flutterby sewing group. She had gained skills not only in the area of sewing, but also social skills and personal skills (such as commitment and determination), and experienced success and achievement which has helped improve self-confidence and pride."*

*"She has loved it so much. I am so happy she took a chance and did this. Thank you."*
